Ice Cool Scarf (Cooling Neck Scarf) Catalog

A soft summer essential designed for everyday comfort.

PRODUCT PHILOSOPHY

Designed for Comfort, Made for Summer Living

We believe staying cool should feel natural,
not heavy or artificial.

This cooling scarf is designed to blend into your daily life —
soft on the skin, beautiful to look at, and effortless to use.

Not just a product, but a gentle way to enjoy summer.

DESIGN & PATTERN

Why People choose This scarf

- Soft and lightweight on sensitive skin
- Comfortable cooling without stiffness
- Easy to wear, easy to carry
- Beautiful enough to be gifted

Made for Everyday Moments

- Outdoor walks and travel
- Daily errands and commuting
- Gardening and light activities
- Thoughtful summer gifts

WHY THIS PRODUCT

Inspired by Nature

Floral patterns inspired by nature bring calm and freshness to summer days.

Designed to feel more like a fashion accessory than a functional tool.

Cooling, with a sense of style.

MATERIAL & FEEL

Soft Touch, Comfortable Cooling.

The fabric is carefully selected to feel gentle against the skin, even during extended wear.

Lightweight, breathable, and comfortable for all-day use.

No irritation. No heaviness.

PACKAGING

Designed for Gifting.

Packaging is available and provided for retail and gifting.

Final packaging design may vary depending on order requirements, but it is designed with a clean and elegant presentation in mind.

Suitable for seasonal collections and summer promotions.

Color Variatons

Morning Rose

Soft Rose with a gentle morning glow

Blooming Mist

Light floral tones wrapped in mist

Summer Garden

Fresh greens inspired by summer gardens

Classic Botanical

Timeless botanical patterns in calm tones

PRODUCT OVERVIEW

Product Description

- Made in Korea with 100% cotton outer fabric and non-toxic SAP cooling beads inside
- Instantly cools when soaked in water;
cooling effect lasts 4+ hours (depending on environment)
- Natural cotton provides a soft, breathable, and skin-friendly feel, perfect for sensitive skin
- Lightweight, reusable, and eco-friendly compared to PCM-based cooling products
- Multi-use: can be worn as a neck scarf, wristband, ankle wrap, or headband
- Safe to wear with light-colored clothes (no color transfer)
- Free size - unisex, suitable for both men and women
- About SAP Material
- Made with colorfast 100% cotton fabric,
- tested to prevent color transfer during normal use.

- About SAP Material & Product Safety
- The SAP (Super Absorbent Polymer) used in this product is globally sourced, as commonly used in cooling products worldwide.

- However, all safety, leakage, and skin-contact tests are conducted on the finished product
- under Korean quality control standards.

- Our responsibility covers the entire manufacturing process, from encapsulation to final inspection,
- ensuring consistent safety and performance.

Key Applications

- Fashion & Daily:** commuting, casual wear, office cooling accessory
- Sports & Outdoor:** hiking, cycling, camping, golf
- Gift & Family Use:** stylish summer gift set, unisex design
